ABERDEEN, MISSISSIPPI, FRIDAY, JANUARY 22, 1909.

Aberdeen, Miss., January 18, 1909.

To our Friends and the Public:

Youth is ever sanguine and hopeful for the future, hence we look forward to a year of greater prosperity than ever before.

Office of LANN & CARTER HARDWARE CO.,

We expend our thanks for what support in a business way you have contributed to us in the past. We trust that our business relations with you have been pleasant and of a nature to make you feel that we are your friends.

The old year is past, and it is to 1909 that we look for recognition of our efforts. So we take up our duties with renewed energies and thought. Our stocks are large and well boughtespecially is this true of our line of FARM IMPLEMENTS. Each year puts us in better shape to do more for you than we have done before. If you want to place your business where low prices, prompt attention, large assortments and varied lines are consolidated under one progressive, yet conservative management, you are invited to investigate us.

## High Grade Fertilizers and Phosphates.

As to this part of our business, it is with some degree of pride that we make special mention, with which you will doubtless agree. we are PIONEERS IN THE FERTILIZER BUSI-NESS in this market. Not only the first to use it on the farm, but the first to sell it, and have given it constant thought and study for the past 29 years, hence we are compelled to know more about the business than the man who is in it for perhaps one or two seasons, and solely for the profit, not giving the interest of his customer a thought as to the result of the use of the goods he is selling. Don't let the price control you altogether. LOOK WFLL TO GETTING STANDARD GOODS FROM PEOPLE WHOM YOU KNOW. It is not our object to offer cheap goods in this line, nor has it ever been. Our past record will show conclusively that we handle only first class, high grade goods adapted to your soil and crops-

Gossypium, Cotton Belt and Other Old Brands so well Known.

Our warehouses will contain at all times during the season OLD RELIABLE BRANDS, so well known to all.

Thanking you again, and soliciting your business, we beg to remain, Very truly your friends,

Beware of Ointments for Catarrh that Contain Mercury,

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuiue. It is taken internally and made in Toledo, Obio, by F. J. Cheney & Co. Testimonials

Sold by all druggists.
